

Bulletin of Health, Science and Technology

Volume 2 Number 2 (1999)

CONTENTS

- 6 ๓.ย. 2543

Editorial	i
Minireview article	
• Chemical Toxicity due to Phthalate Use: A Literature Survey 69 (P. Thammasakul et al.)	
Original articles	
• Localization of the Transposon 3 Gene in <i>Vibrio harveyi</i> isolated from Black Tiger Shrimp 81 (T. Pasharawipas and L. Nielsen)	
• Maturation and Fecundity of Pond-reared <i>Penaeus monodon</i> Fed with $\omega 3$ Fatty Acids 89 (K. Chayaburakul et al.)	
• Neurological Responses and Muscle Strength with Surface Integrated Electromyogram in Chronic Arsenic Intoxicated Patients 103 (T. Chentanez et al.)	
• Release of Muscle Enzymes and Onset of Muscle Soreness after Concentric and Eccentric Contractions Induced by Bench/Step Exercise in Sedentary Subjects ... 113 (R. Chaunchaiyakul et al.)	
• Enumeration of Total Bacteria in Drinking Water: A Comparative Study of Drop Plate and Pour Plate Methods 125 (N. Charoenca et al.)	
Short communication	
• Gas Chromatographic Analysis of Chemical Composition of Thinner supplied in Bangkok and Patumthani 133 (S. Krungkrai et al.)	
Rangsit University's News	
• Ninth International Metrology Congress: Chemical Metrology Session 137 (P. Nandhasri)
