

The *Journal of Science, Technology, and Humanities* focuses on the international exchange of knowledge in the natural, physical, health, and social sciences, engineering technology, humanities, and education, particularly between East and West. The *Journal* publishes peer-reviewed papers on original research, concepts and thoughts. Review articles will be invited from time to time from internationally recognized authorities. The *Journal* will consider publication of proceedings from symposia as issues of special concern, particularly to countries from Southeast Asia. *Journal* also available online at <http://ejournal.buu.ac.th>

Editor-in-Chief

Suchart Upatham, Ph.D.

Associate Editors

F. William H. Beamish, Ph.D.
Kana Pongruengphant, Ph.D.

Managing Editors

Somsak Pantuwatana, Ph.D.

Editorial Assistants

Suchada Rattanawanitpua, Ph.D.
Malee Nitsaisook, Ph.D.
